

Our goal, to quote, provide and install, your new telephone system with the options and features that are important to you !

Our advantage; we do it right. We have installed lots of systems and know what we are doing!

- We start by gathering information
 - Who sits where, people & places - a print
 - Telephones, Fax, Credit card
 - Page, Door box, Cordless
 - Cabling

- How it will work
 - Day, Night, Lunch & Holiday
 - Remote users
 - Hours of operation
 - The VM announcements
 - Options
 - Messages go to
 - Digital phone
 - Cell phone
 - Email notification

- Buttons, Labels and or Features
 - Line and Stations, who is on the phone
 - Call Forward, Speed dial, Conference
 - Page or All call
 - Vmail buttons for other users
 - Department, DND, Park

DIMENSION & Our Advantages

- We make recommendations; you review our templates, edit & confirm our plan.
 - We are a communication company
 - Strive to do our part to communicate before we install it!
 - We get it right the first time !
- Confirm Schedule
 - Install the new system
 - Training with notes on how to use it
